## APC Overnight: timed delivery services

We specialise in timed deliveries, giving you flexible options for urgent packages.

Timed deliveries are perfect for fresh produce and perishable items, as well as time-sensitive consignments such as travel documents and medical supplies. Items are scanned directly into transportation cages for accuracy and security.

Our timed delivery options are:

- Weekday before 9am
- Weekday before 10am
- Weekday before 12pm
- Weekday before 4pm
- Saturday before 9am, 10am or 12pm
- Upgrades available to fragile services and security services.

\*Please note that there are limitations to the service coverage areas for timed and next day deliveries. Please confirm with your local depot prior to dispatch, quoting the delivery postcode. A surcharged Saturday service is also available, however this must be requested at the time of dispatch.
